The Dining Room at Peking Wok has been reserved for the Richmond County Amateur Radio Club for December 9, 2017 at 6:30p.m. - Buffet dining. Have called and confirmed (again) that our reservation is still on the books.

Have been in touch with Rand Thomas <selandscape@gmail.com> 910-995-2480 who is studying for his Technician Element 2 exam and is still planning on attending the December 2nd W4VEC testing session. Due to work requirements his studying has slowed down but he is still plugging away. We've all been there.. Give him a call and introduce yourself and offer a helping hand.

The Nominating Committee will be reporting their suggested slate of officers during the November meeting for the upcoming 2018 year and the membership will receive nominations and ~~railroad~~ elect the new slate of officers at that time. It's been a hard fought campaign and there's reports of antenna wire and coax changing hands in exchange for votes! :)

Bands were better, especially at night, during the CQ DX SSB contest and I, personally, worked a good bit of DX on 75m (and some 40m) SSB for new bands/modes. A rarity for sure.

Hope everyone is doing well and has recovered from the Halloween candy overdose!
