Richmond County Amateur Radio Club

October 10, 2026

Meeting called to order by President Fred Lathan, at 9:35 a.m. at the Mt. Calvary Rock of Ages.

13 in attendance

The club Minutes were read by Michael Litty

Old Business

Fred Lathan talked about sending the cards from the club and passed around a copy of the note he put inside.

Christmas Party, Fred said he asked for a price quote. He's still waiting on the quote. She said it would be about the same, maybe a little more.

Next Test session Dec. 19, 10:00 a.m.

Fred talked about the nominating committee, Olivia, Jamie and James and the vote will be at our next meeting.

Emergency Communications, keep that in mind. N4MQU has talked to someone in AuxCom. There are procedures to go through, courses to pass, to be involved. Passing the courses doesn't guarantee activation. Only the director of county emergency communications can decide whether or not he wants us involved. He's in Raleigh. He said he was not interested in coming to give a presentation. Mark is still working on getting a speaker.

Financial Report, $2525

New Business

Mark asked about the consideration of a new location for the meeting because we are not allowed to advertise our location.

Christmas Party will be at the Mt Calvary Rock of Ages Church, Dec. 5 at 6 pm.

Winter field Day, as a POTA event, PeeDee River state Game land with bathrooms, at the boat landing. The fourth full weekend in January, January 30. We discussed using the club call sign. Will post it in Facebook and on the website.

Minutes were read and approved.

With no other business, the meeting was closed at 10:00 a.m.
