Thursdays: RCARC Net & rag chew @ 8 PM - 146.955 88.5 tone

The Christmas Party was held at Peking Wok on December 9, 2017 and a good time was had by all! Had our own dining room area and was free to move around and get to mingle. Definitely need to keep this in mind for next year.

At the December meeting there were no additional nominations for club officers received so the recommendation of the Nominating Committee to retain all of the current officers for another year was voted and accepted.

Lower bands, 160m, 80m, and 40m continue to perform better, especially 80/160 late night, if you want to stay up until 2300 or so to work EU on 160/80.

In case you missed the email, I have attached a picture (courtesy of Mark N4CMD) of the Christmas gifts that were given to two foster children from club member's contributions.

Hope everyone had a nice Christmas and New Years with family and friends. Here's hoping that 2018 will be good for one and all!
