The current hot item on the market is the ICOM 7300 and ICOM has reported that over 11,000 have already been sold.

Our club currently has 20 dues paying members and of these 12 are ARRL members. It is necessary that we maintain 50% membership in ARRL in order to be listed on the ARRL website. I have attached the most up to date roster that I have with addresses and emails. Please email if I need to make any corrections to the roster.
