### **New Business**

Mark Gibson reminded everyone that the ARRL VHF contest is this weekend.

Max Kearns presented a video of Riley Hollingsworth who gave a presentation at the Winston Salem ARC. He discussed some of things the FCC is doing for enforcement , etc, what amateurs have done, and can do in the future to enhance the hobby. Very interesting video.

There being no further business and due to the fact that the library had scheduled another group into the room the meeting was adjourned.
