Rand Thomas <selandscape@gmail.com> 910-995-2480 has been in contact with the Secretary/Treasurer and wants to get his Ham license. He has already purchased a UV-82 and is listening in on the Thursday night net/rag chew. He is already studying for the Element 2 Technician Exam and is planning on taking the test at the December, 2017 W4VEC testing session. Give him a call and introduce yourself and offer a helping hand.

The Nominating Committee is hard at work proposing a slate of members to railroaded . . . ahhh. . . . "recommend" as club officers for the upcoming elections to be held during the November, 2017 meeting.
